The Charles River Wheelmen is a group of active adult bicyclists who sponsor a year-round program to promote the enjoyment of bicycling. During the regular season (early Spring to late Fall), two ride loops are usually available every Sunday, designed to be ridden at your own pace. The routes are arrowed in advance and the leaders stay in the rear to ensure that nobody gets left behind. Our Winter Frostbite rides are more informal; the route and pace are decided by those who show up to brave the elements. Our dues include membership in the League of American Wheelmen; CRW members also receive Wheelpeople, the Club's newsletter.

A BEAUTIFUL RIDE... PLUS

It was the second arrowed ride, April 6, 1986. The starting point was new, a shopping center in Wayland. The pre-ride talk was excellent; brief and very complete. The arrowing was flawless, to my knowledge nobody got lost. The scenery was beautiful, largely unfamiliar roads in towns ending in land, ham and boro. The lunch stop was quaint, a combination lunch counter and convenience store in Southboro.

And then there was the weather. Ned Weld (and Eric Corrigan), you forgot to plan the weather. It had been cloudy, but the forecast on the way to Wayland seemed to be changing for the better. So when the split between the 28 and 40 mile rides came, well, we went for the big one. Only two miles later it started: freezing rain, sleet, and rain; sometimes mixed and sometimes just alternating -- each town we passed through seemed to have its own combination. It stung too much to watch the scenery and we were too wet to care.

Jamie, Bill, Jim and I were all riding together during all this. We cursed, but then we laughed and then frolicked in Ned's weather. After all, a pretty ride is only memorable, this was truly an adventure.

When I started writing this article, I wasn't clear on why. I guess it's just a note to Ned and Eric: Thanks for a beautiful ride -- especially for the weather.

BICYCLING, The Museum of Science, and YOU!

Volunteers Needed

June 6 - June 19, 1986

During the summer of 1986 the Museum of Science will sponsor the "Science of Sports" featuring exhibits, clinics, workshops, and films featuring a variety of recreational and competitive sports. Volunteers are needed for the period of June 5 through 19 to help out with the BICYCLING exhibition, thanks to the efforts of Jerry Campbell who has helped set up a major exhibition depicting the science, history, recreational and utilitarian aspects of bicycling.

Here is a chance to promote bicycling to thousands of visitors who come through the museum every week. Schwinn is providing a major exhibit of bicycles of all kinds and there will be recumbents, tandems and folding bicycles, too.. Designs of up-to-date camping and outdoor equipment and clothing will also be there. This is a unique opportunity to show your expertise in all areas of bicycling for sport, health and recreation, as well as a way to get the name of the Charles River Wheelmen out to the public.

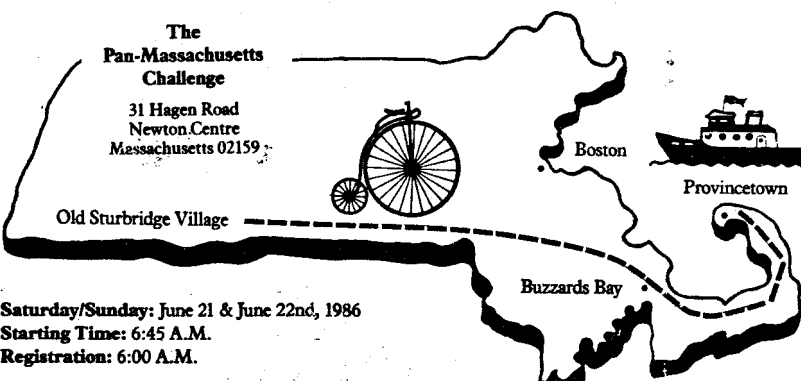

Volunteers needed for 4-hour shifts starting at 9AM, 1PM, and 5PM. We need two people for each of the 34 shifts between June 5 and June 19.

Please contact me (Osman) or Jerry Campbell if you can help out in any way. CALL or write: Osman Isvan

ANNUAL BANQUET A BIG SUCCESS

Over 60 members of the Charles River Wheelmen, as well as a number of guests, turned out for the CRW 1986 Annual Meeting and Banquet, held at the Muddy Charles Pub at MIT on Saturday evening, April 12.

Distinguished service awards were presented by Club President Dave Brahmer to

- o Debbie Allinger
- o Dick Lewis, and
- o Vicky Minden

all for tireless and persistent efforts on behalf of the Club, both for organizing major events and invitationals, as well as keeping up with the continuous behind the scenes activities which maintain the Club year after year.

DON BLAKE receives the Dr. Percy Anderson Award

Don Blake, CRW Treasurer since the founding of the Club in 1966, received the Dr. Percy Anderson Award for Distinguished Service (a beautifully inscribed plaque) for his years of dedication and faithful service to the Club as its treasurer and financial mentor. Probably no one appreciates the effort that goes on quietly behind the scenes to maintain the books in an orderly fashion. The Percy Anderson Award is granted only to those who have rendered especial and dedicated service to the CRW.

Four door prizes were awarded to those lucky enough to have their names drawn: thanks to the Bicycle Corner, Arlington; Lincoln Guide Service, Lincoln; Lexington Cycles, Lexington; and Ace Wheelworks, Cambridge for their generous donations.

All present enjoyed the wide variety of potluck dishes that the members provided. We got a look at the new-style T-shirt (thanks to the efforts of Debbie Allinger) roaming photographers captured the scene, and Cutler West (age 82), the Club's oldest member was in attendance.

Many thanks to everyone (headed by Jack Donohue, but including Mike Hanauer) who helped organized this event.

THE C.R.W. 20th BIRTHDAY PARTYSunday, June 29, 1986

Cutler West didn't forget and now we won't! This 20th Anniversary of the Charles River Wheelmen. To celebrate we will repeat the original ride from 131 Mt. Auburn St. in Cambridge to Ashland State Park and back. The Boston Globe was there in 1966 to record our beginning and they will be there in 1986 to photograph the event for the Sunday edition of the Globe. In addition to the original ride, there will be a shorter ride of 25 miles in which one half of the distance of the ride will end at the Ashland State Park.

The original ride leader and charter member Bruce Bailey will, once again, be our leader, along with as many of the original riders as possible. To avoid the possibility of inclement weather we are celebrating in June instead of October.

The **Boston Globe** will be there!

We expect at least 200 members and guests to converge on Ashland State Park on Sunday June 29th for a spectacular feast hosted by our own Jerry Campbell who will, with the help of his crew, put on a chicken dinner that few of us have had the pleasure of enjoying. If you like lots of chicken, salad, home baked pies, and beverages, you won't want to miss this one. Oh yes, there will also be a huge Birthday Cake. All of this for the low, low price of \$5.00 per person.

Ride leaders will be Bruce Bailey (in front), with Dorothy and Ralph Galen bringing up the rear on their tandem. The short ride will be led by Guy and Linda Minnick.

Don't Miss This Wonderful Event

Yes, I wouldn't miss the CRW Birthday Party-Ride and Outdoor Banquet with the original ride leader Bruce Bailey, Sunday, June 29, 1986.
